

The Kansas Automobile Dealers Election Action Committee (KADEAC) is dedicated to helping elect responsible state officers and members of the Kansas Legislature who are open minded to the concerns and problems facing the automobile and truck dealer today. Towards that end, your contribution will now be a factor in deciding who controls your dealership; government's rules and regulations or YOU. Your timely contribution joins that of your fellow dealers who have already contributed to the goals which KADEAC seeks. Corporate checks are legal under the Kansas Election Laws.

Please forward all contributions to:

**CORPORATE CHECKS & CREDIT CARDS
